

# SUREFIRE SUPPRESSOR ADAPTER

## 4-PRONG FLASH HIDER FOR SOCOM SERIES SUPPRESSORS

.....

**Model Number:** FH556RC-1/2-28  
**UPC Number:** 084871318631  
**NSN:** 1005-01-599-7048

.....

SureFire's advanced 4-Prong Flash Hiders provide significant stand-alone benefits, plus serve as rock-solid mounting interfaces for SureFire Fast-Attach® suppressors. Constructed of heat-treated stainless steel, precision machined from USA mill-certified bar stock. An Ionbond DLC coating provides maximum protection under harsh environmental conditions and facilitates cleaning after extreme use. Each SureFire 4-Prong Flash Hider features high-precision single-point barrel interface

threads, plus labyrinth seals to keep the rear mounting surface cleaner. Featuring robust tines that will withstand the rigors of combat, SureFire 4-Prong Flash Hiders typically result in an impressive 99% overall reduction in muzzle flash compared with a plain muzzle. Their innovative, patent pending design features multiple bearing surfaces to ensure superior suppressor alignment and to prevent the ringing of tines within the suppressor.

### FEATURES & BENEFITS

- Patent pending design produces over 99% flash elimination
- Multiple bearing surfaces provide suppressor alignment and prevent ringing of tines inside suppressor
- Labyrinth seals to keep the rear mounting surface cleaner
- Ionbond DLC coating provides maximum protection against harsh environmental conditions and facilitates cleaning after extreme use
- High-precision single-point barrel interface threads
- Labyrinth seals mitigate gas leaking from back of suppressor lock ring
- Heat-treated stainless steel construction precision CNC machined from USA mill-certified bar stock
- Inspected for all critical dimensions including concentricity and alignment
- Made in the USA

### SPECIFICATIONS

CALIBER	5.56 mm
WEIGHT	3.9 oz (110 g)
LENGTH	2.5" (6.35 cm)

Prices and specifications subject to change without notice.
