

# NALGENE BOTTLE

## DESCRIPTION

SureFire bottles are ideal for tactical and recreational, even in extreme environments. Made in the U.S.A. of tough, BPA-free Tritan plastic that is more shatter resistant than other plastics and glass, they will hold up to 38 ounces of your favorite beverage. Their wide-mouth design makes it easy to drop ice and/or a filtration device into the bottle. The wide mouth also simplifies cleaning of the bottle, which is dishwasher safe. Their continuous, straight-shouldered, semi-buttruss threads ensure leakproof liquid containment when placed in a backpack or sack. Like every SureFire product, SureFire bottles are built to last.
